

200 MAZAL VADDO ASSAGAO, 403529, BARDEZ, GOA, INDIA

## AN INTRODUCTION

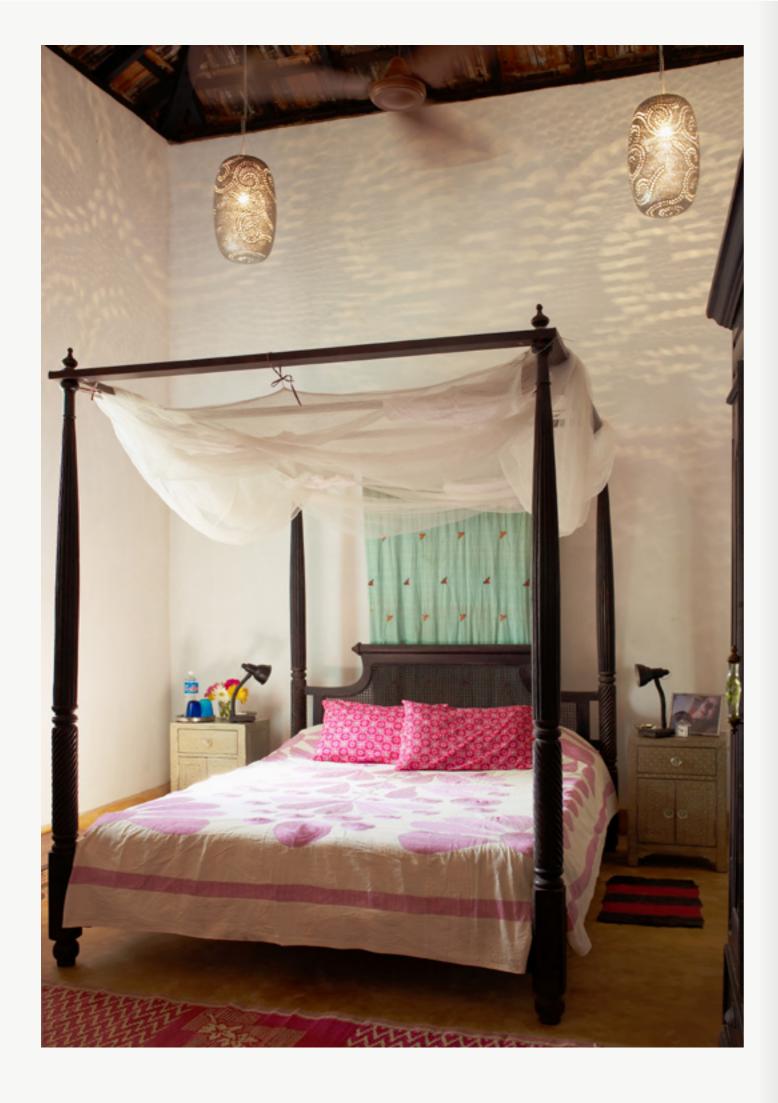

asa Tota is situated is in the village of Assagao, one of the most sought-after villages in the Bardez province of North Goa. It is a traditional Portuguese house that is approximately 150 years old. It has been lovingly restored and is furnished comfortably. There is a central courtyard, which houses the kitchen and dining areas and a decorative water feature in the middle. There are 3 double bedrooms with en-suite showers. All bedrooms have air-conditioning and ceiling fans. The third bedroom can be configured as a twin room on request.

The back veranda looks onto the lawn and garden with a small plunge pool. There is WIFI in the house. Shyam our housekeeper speaks English and is very friendly and helpful. He keeps the house and garden clean and tidy, with the help of his wife Rohini who does the daily housekeeping. Shyam prepares breakfast daily and helps generally with renting cars, taxis and mopeds. Shyam and Rohini have 2 young boys and live in the cottage in the garden. We offer you a simple breakfast of tea or coffee, fruit, muesli and yogurt, eggs, fresh bread rolls, with butter and jam. His Masala omelettes are very popular!

The Graham family have a strong love of spicy colour and exectic Indian style.

Our three bedrooms are a simple but stylish mix of tranquit calm and colonial cool.

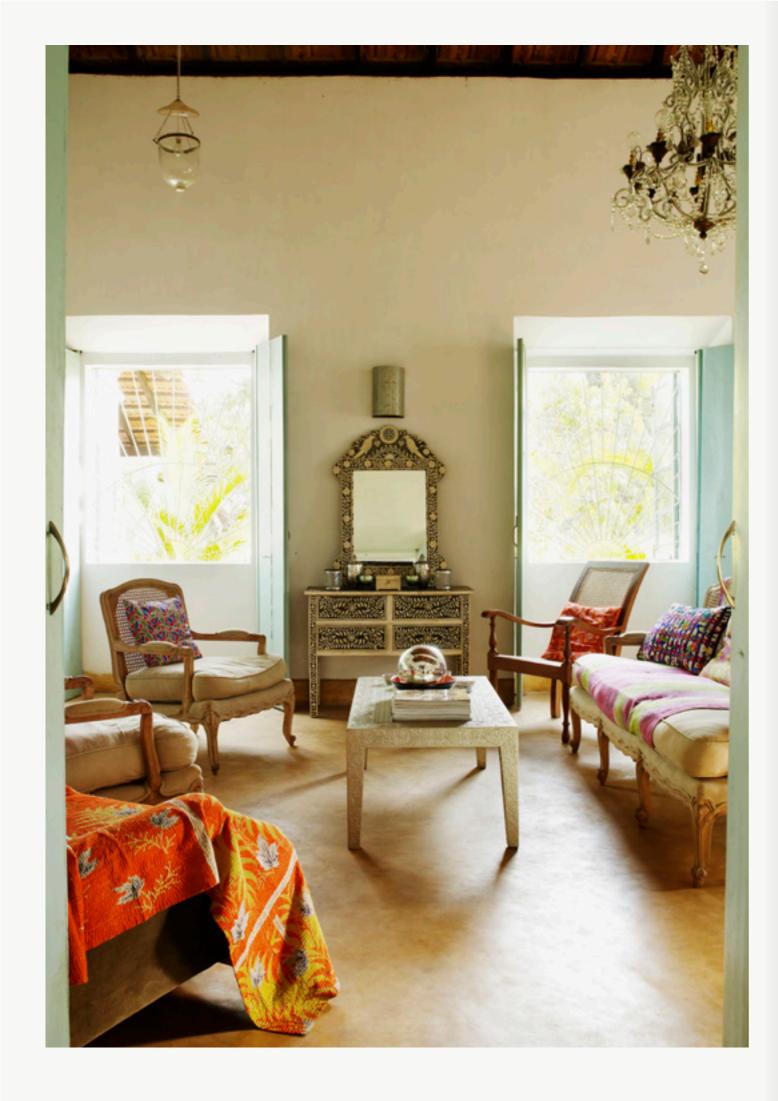

We are spoiled for choice locally as Assagao has many very good restaurants and a few places to do yoga. We are about 4 miles from the nearest beach and one can go by taxi, scooter, or bus. Most people rent scooters and Shyam can arrange this. A local bus passes our front gate every hour and goes to Mapusa our local town with a great market. The market is open daily, but Fridays are particularly special! There is also a small supermarket nearby for basic provisions.

We are about 45 minutes from the capital of Goa, Panjim where there is a cathedral, many shops, and a new 4-screen cinema. We are about 1 hour from the airport in the south and 45 minutes from the new airport in the north. We can send a taxi to meet you.

Many Indian people come to Goa during the Monsoon. It is generally a time for reflection and relaxation and one can visit a health spa, take walks on the beach or even visit the excellent dentists in Panjim for specialist treatments at about a quarter of the cost of the same in the UK.

Four miles from the nearest beach, a 10 minute drive to the market and about 45 minutes from the capital of Goa. Most people get around on scooters –Shyam can arrange rentals for this.

We look forward to welcoming you to the house and to sharing the magic of Goa with you.
